

# The Golden Chain of Romans 8:29-30

Election occurs “before the foundation of the world” (Eph1:4), “according to the **foreknowledge**<sup>1</sup> of God” (1Pet1:2).

God’s predetermined, purposeful end (i.e., **predestination**<sup>2</sup>) is that *believers* will be “conformed to the image of His Son” (Rom8:29).

**Sanctification** of the believer in this present life is **not assured**.

All justified will be glorified.  
(**Eternal Security**)

<sup>1</sup> **Foreknowledge** is an aspect of God’s immutable attribute of omniscience.

<sup>2</sup> **Predestination** is a sovereign decree of God.
